- Bilawal at USIP. (Ed/DT) (WoT/Bilawal address in Washington/Obj). Bilawal highlighted the fact that mil action is insufficient; there is a need to counter fanaticism at its core and roots. To do this, there is a need for a counter-narrative, which is currently non-existent. The NAP has so far not had the total effect intended due to a lack of concerted, centralised effort that has left gaps the terrorists have so far been taking advantage of.
